### Kangiqliniq (Rankin Inlet) Finding Aid

This Finding Aid represents 1,648  
35mm slides, negatives, transparencies and/or prints  
of artwork, artist portraits and/or community photographs  
from Kangiqliniq (Rankin Inlet), NU.

The photographic records presented in this Finding Aid were formerly in the collection of the Department of Indian Affairs and Northern Development (DIAND); now Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC). The Inuit Art Foundation is not the owner of the objects depicted in the photographic materials, and the collections where the works are currently held remain a rich area of future study.

This Finding Aid is intended to provide public access and includes records that are partially processed. The information included herein is based off of original documentation from DIAND and efforts have been made to ensure the accuracy of the information. Please contact the Inuit Art Foundation to verify the information. Records from the Inuit Art Foundation's archival holdings may not be published, exhibited or broadcast without the written permission of, and proper credit to, the Inuit Art Foundation.
